Dear Middle School Chorus Students & Parents,

Welcome to Middle School Chorus! The girls will be wearing the same dress as we have used the last several years. I have attached a copy of the dress along with ordering info. Girls will need to wear black closed-toe dress shoes with either flat or low heels. No high heels. We will also be ordering a matching set of white pearls and earrings for the girls to wear. No other jewelry should be worn. Hair should be worn pulled back away from the face.

Boys will be wearing something a little different this year: black tuxedo pants (same as last year), black dress shirt, and a bowtie. You will also need to wear black dress shoes and black dress socks. Boys, may wear their same pants from last year, providing that the length of the pants is long enough.

**Please fill out the attached measurement form and return it to me ASAP along with your payment for the attire no later than September 2nd.** If your student has tried on their outfit from last year and you are certain the size will be sufficient for the remainder of the year, please turn in the slip below marked as follows: *"No new attire needed."* If you are using last year's dress or have received a used dress from a friend, please check to make sure the length is sufficient to allow for growth during the year. We don't want "high waters" at our spring performances :) If the dress or pants are too short, you will be required to purchase a new one before the performance.

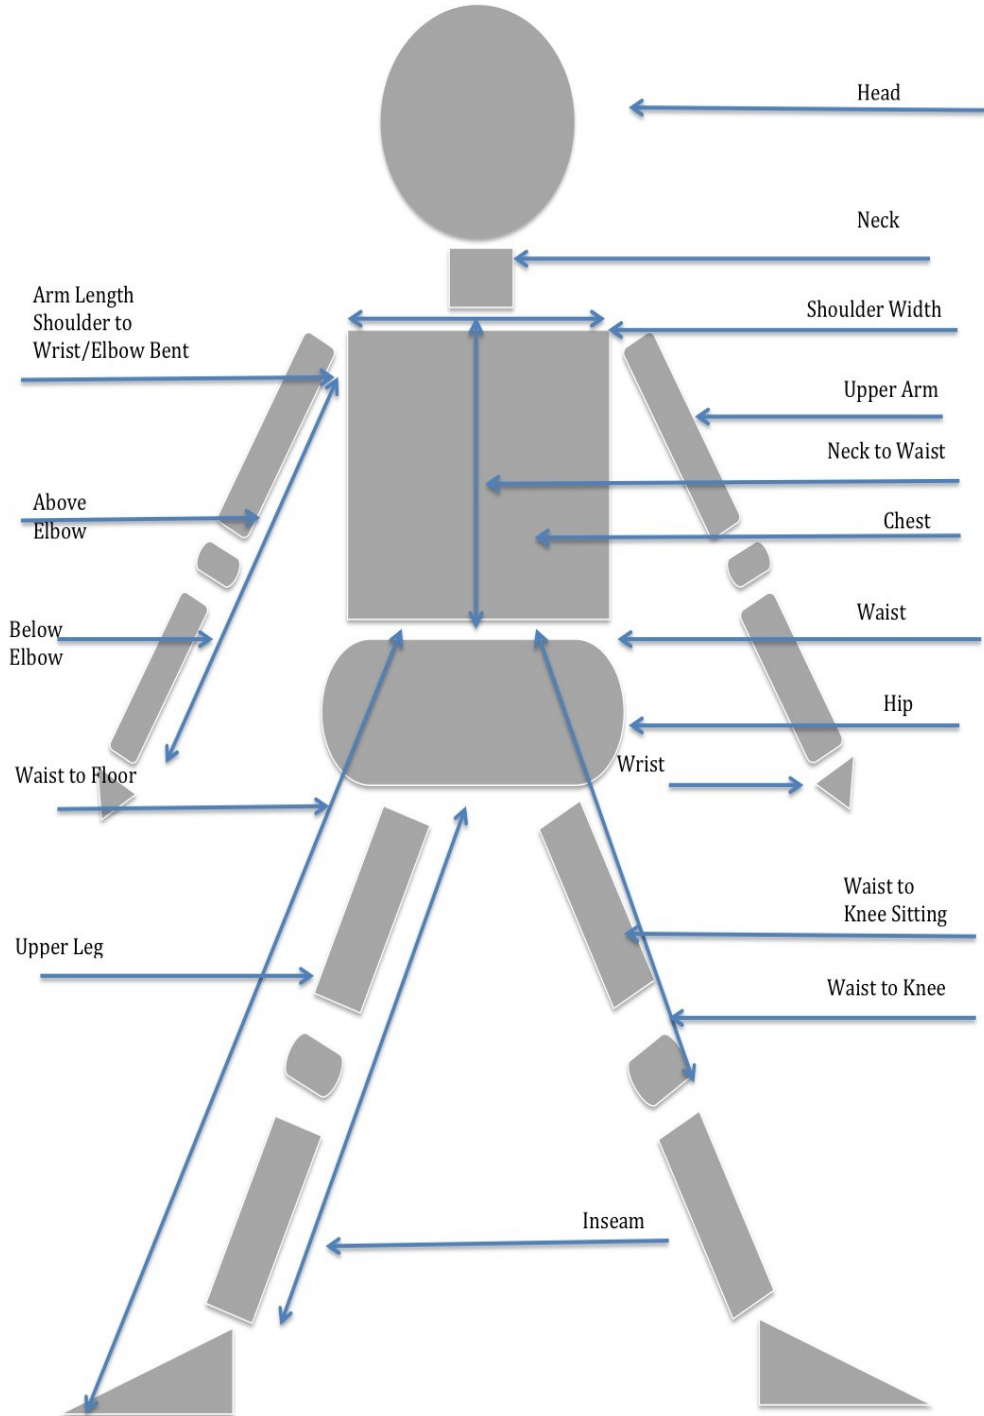

Please feel free to contact me should you have any questions.
